The Vallecitos Water District makes it a priority to educate our residents about the quality of our drinking water. The recent water quality report was posted to the District's website (both on the water quality page and the home page under the "News section"), e-mailed to our e-notification subscribers, posted on the District's social media sites, which includes Twitter, Facebook and LinkedIn, and a notification and link included in the "bill message" on every customer's utility bill.

Hard copies of the report are mailed to residents upon request and are displayed in the Vallecitos Water District lobby. Copies of the report were placed in City administration buildings. Hard copies will also continue to be handed out at outreach events throughout the community once they resume.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.
