Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

Paper copies of the CCR placed at the public library, cashier (where water bills are
Paid), recreation desk and the business license desk. Additionally, notices were
published on water bill envelopes both paper and electronic notice for eBills.
A facebook post was made on social media, and a blurb in the Oceanside Tide
Newsletter will be out. The PDF report is posted on the website and can be found
When using a search engine.
