The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires Valley Center Municipal Water District (VCMWD) to provide you with. The purpose of the CCR is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources.

In recent years, VCMWD has mailed its customers a printed copy of the CCR to comply with the SDWA. However, in 2015, the California Department of Public Health expanded its interpretation of the SDWA to allow for electronic delivery of the CCR. The electronic delivery method will allow VCMWD to reduce the consumption of paper, as well as, minimize potential printing and mailing costs.

If you would like a paper copy of the 2023 CCR mailed to you, or would like to speak with someone about the report, please call (760) 735-4500, or email [vcwater@vcmwd.org](mailto:vcwater@vcmwd.org). You can find additional water quality information on the Valley Center Municipal Water District (VCMWD) website at [www.vcmwd.org/ccr](http://www.vcmwd.org/ccr).
