Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

All tenant commands and billed customers receive an email stating the 2022
NASNI/NAB CCR is electronically available at https://cnrsw.cnic.navy.mil/Operations-
and-Management/Environmental-Support/Drinking-Water-Quality-Information/
The CCR was also printed and posted at the Galley and in the community room of the
staff barracks.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.
