

## APPENDIX B: eCCR Certification Form (Suggested Format)

### Consumer Confidence Report Certification Form (To be submitted with a copy of the CCR)

Water System Name:	PG&E Diablo Canyon
Water System Number:	4000589

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 6/15/2023 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: David Alvarado	Title: Senior Chemistry Engineer
Signature: 	Date: 7/5/2023
Phone number: (805) 748-0905	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
  - Posting the CCR at the following URL: www.\_\_\_\_\_
  - Mailing the CCR to postal patrons within the service area (attach zip codes used)
  - Advertising the availability of the CCR in news media (attach copy of press release)
  - Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
  - Posted the CCR in public places (attach a list of locations)

- Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- Delivery to community organizations (attach a list of organizations)
- Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- Other (attach a list of other methods used)
- For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following URL: www.\_\_\_\_\_
- For privately-owned utilities: Delivered the CCR to the California Public Utilities Commission

### **Consumer Confidence Report Electronic Delivery Certification**

*Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.*

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www.\_\_\_\_\_
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www. <https://pge.sharepoint.com/DCPPCommunications/Forms/AllItems.aspx?id=%2FDCPPCommunications%2F2023%2F06%20June%2F2022%20DCPP%20Domestic%20Water%20CCR%2Epdf&parent=%2FDCPPCommunications%2F2023%2F06%20June>
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval. Water system utilized other electronic delivery method that meets the direct delivery requirement.

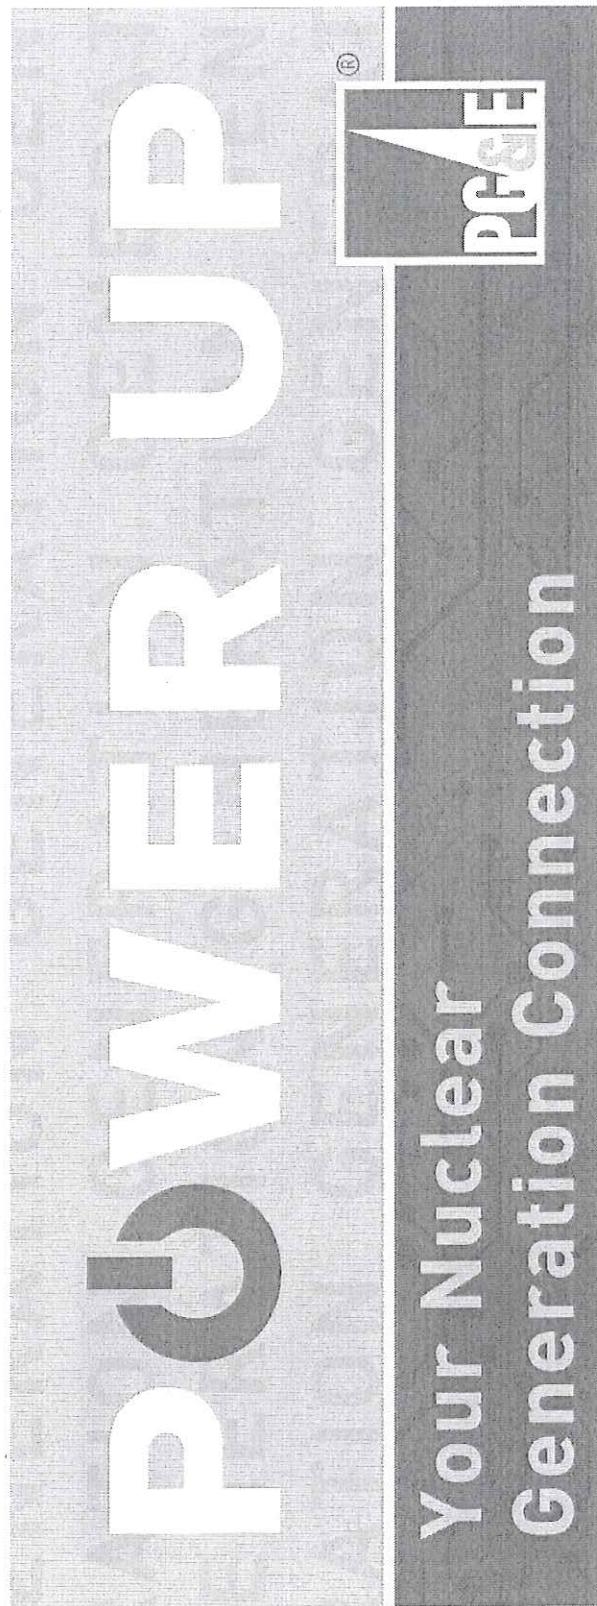

*Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.*

*This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.*

**Alvarado, David**

**Subject:** Power Up for Thursday, June 15

THURSDAY, JUNE 15, 2023

*Tenet 6: "We look out and care for one another."*

## Sprinkles of Joy at Ice Cream Social Celebrating Unit 1's 21 Years of Continuous Operation

DCPP Leadership held an ice cream social Tuesday celebrating Unit 1's record of 21 years of continuous operation without a reactor trip! Our coworkers sprinkled on special toppings and mingled with coworkers in the Canyon Room to joyfully commemorate this great reliability accomplishment by our team. Check out photos from the event at this [Events Page \(sharepoint.com\)](#).

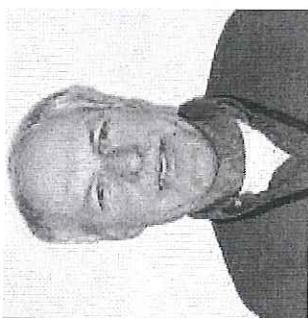

## Daily Work Control Adds Erik Estrada as Nuclear Work Week Manager

Congratulations to **Erik Estrada**, who has been named Nuclear Work Week Manager, effective June 1. He first started working for DCPP in 2016 as an outage Craft Supervisor. "I took an instant liking to this station and decided I wanted to be here, so I applied for a Planner position that I was lucky enough to land in 2018. Now, I'm diving into a new chapter of my career, and I hope to contribute enough to make my former, current and future teams proud," Erik said. [Read more about Erik.](#)

## Steve Goschke Joins DCPP Engineering Team

**Steve Goschke** has joined DCPP as a Senior Engineer in the Strategic Engineering Secondary Systems group, effective May 8. Steve worked for 33 years in the power industry starting as an engineer in the Advanced Generation group of the PG&E Mechanical and Nuclear Engineering Department in 1980. After a successful career in nuclear at other plants, Steve started a new career in 2014, working as the Utility Engineer for the Firestone Walker Brewing Company in Paso Robles. He's returned to his roots and we're happy to welcome him to DCPP. [Read more.](#)

## DCPP Golfers Place Third at Cops N Kids Tourney

Last weekend, PG&E sponsored the local "Cops N Kids" golf tournament benefiting training and scholarship programs. These are programs supporting law enforcement members' training and promoting outreach to build trust between young people and law enforcement officers. Not only did PG&E provide a \$5,000 grant to the program, some DCPP coworkers teamed up in the tournament and took home third place! Way to go, golfers! See event photos on the [Events Page](#) ([sharepoint.com](#)) site.

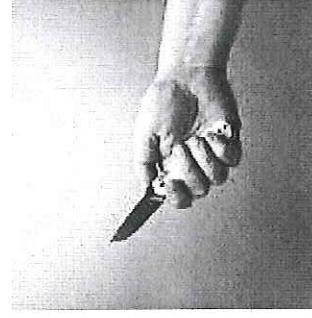

## DCPP's June Blood Drive Collects 67 Units, Enough to Save 201 Lives!

Thanks to all who donated blood last week during the DCPP Blood Drives benefiting Vitalant. In all, 67 units of blood were donated, which has the potential to save 201 lives! "The amount of blood donated will really help with the severe blood shortage we're in on the Central Coast (and nationwide)," Beau Mercurio of Vitalant said. A special thanks to Senior Administrator **Mindy Downum** for her efforts coordinating the event. We have more blood drives planned at DCPP in the future.

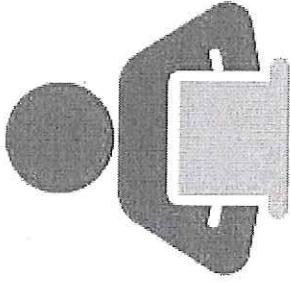

## Personal Protective Equipment Changes Include Use of Pocketknives, Security Officer Safety Footwear

Effective May 30, procedure **OM6.ID4**, "Personal Protective Equipment" Rev 28, has two changes. The first change affects employee-owned knives, such as pocketknives. This change aligns with the corporate stance that **employee-owned knives shall not be used on PG&E property** (Code of Safe Practices Rule #33). The Code of Safe Practices does not ban pocketknives from site, but they are not to be used in any capacity. The second change has to do with Security Officers' safety footwear. A subsection was added to include tactical footwear for Security Officers.

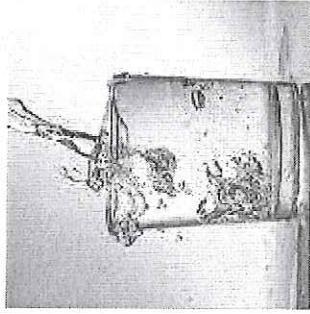

## Outage Management to Offer Three Syntempo Training Sessions in September

Outage Management will offer three Syntempo training opportunities. The desired outcome of these sessions is to ensure users understand a key outage standard – how to update and status work in Syntempo. To learn more about session dates and times and how to register, click [here](#).

## 2022 Domestic Water Consumer Confidence Report (CCR)

At DCPP, the drinking water quality is tested for many constituents, as required by state and federal regulations. Read Senior Chemistry Engineer David Alvarado's message to personnel [here](#). The Drinking Water CCR can be found [here](#), which includes monitoring for the period of January 1 to December 31, 2022 and may include earlier monitoring data.

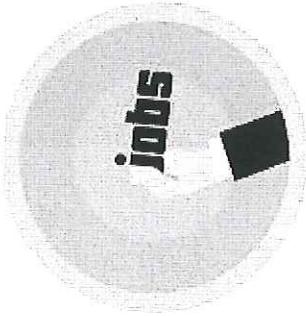

## Speeding, Passing, Tailgating on DCPP Access Road is Prohibited

Speeding and tailgating are prohibited while driving on the access road to DCPP. In addition to being a danger to all drivers, speeding and tailgating on the access road are violations of our procedures and will not be tolerated. Employees, contractors and all others accessing DCPP are expected to drive at or below the posted speed limit, while also being prepared to adjust their speed for inclement weather and other road conditions (cows or horses on the road, slower moving delivery vehicles, etc.). [Read more](#).

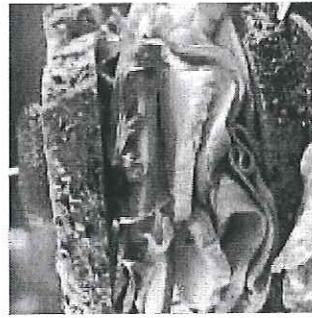

## Industry & Career Opportunities for Coworkers

- NEW POSTINGS! | Check out open positions at DCPP. If you are interested in applying, [click here](#).
- Send in 1R24 entry level Outage Worker referrals. Outage Hiring is still accepting entry level utility worker and administrative resumes for temporary outage support. Send resumes to [DCPPOutageStaffing@pge.com](mailto:DCPPOutageStaffing@pge.com) by June 29. Those applying should include whether they are applying for the Utility Worker or Outage Administrative positions. More information is available on the [Outage Management > EHOJ & Outage Hiring](#) webpage. For additional questions, contact [Gia.Milbrandt@pge.com](mailto:Gia.Milbrandt@pge.com).

## **Watch the June Monthly Alignment Video: We Look Out And Care for One Another**

Throughout the month of June, we're examining our 2023 Roadmap Tenet, "We look out and care for one another." In this month's Alignment Video, which you can find at our [Alignment Videos \(sharepoint.com\)](#), Senior Vice President and Chief Nuclear Officer Paula Gerfen and several of our Nuclear Generation teammates reflect on what that means to them and how we look out for and express care for each other.

## **Charlie Weir Rejoins DCPP Team in Civil Design Engineering**

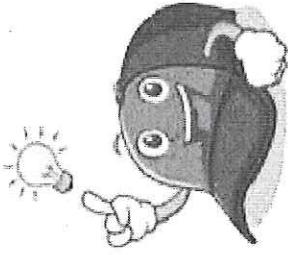

Charlie Weir has rejoined Diablo Canyon after a brief hiatus and will contribute his expertise to the Civil Design Engineering group. Charlie, who has been a resident of San Luis Obispo since his days at Cal Poly, previously lent his support to Diablo Canyon as an engineering contractor and temporary hiring hall from 2012 to 2020. Read [more about him](#) and welcome back to DCPP, Charlie!

## **Leading with Love: Happy Pride Month!**

June is Pride month and there are a number of special events happening throughout our service territory. You can learn more about these events and more at <https://www.slopride.com/events>, and be sure to check out PG&E's [PrideNetwork SharePoint](#). Upcoming events include [Atascadero Gay Pride](#) on June 15, a [webinar explaining the Stonewall Riots](#) on June 20, and more. The PrideNetwork Employee Resource Group and Allies support a safe and equal environment for LGBTQA+ employees. PrideNetwork also sponsored a booth at Pride in the Plaza-- [see photos](#) and [read more!](#) Happy Pride month!

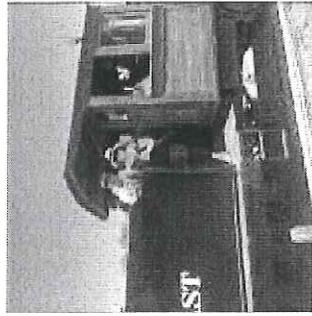

## Put on Your Thinking Cap, Get Creative and Whip Up an Outage Logo for Your Chance to Win!

Diablo Canyon's longstanding outage tradition, the Outage Logo Contest, is now underway and accepting entries! Join the contest by creating a logo for the 1R24 & 2R24 Refueling Outages. The winner will be announced in site publications and receive a Reserved Parking Space for 40 days of 1R24 and 40 days for 2R24. No prior graphics experience is necessary. [Read more](#) about how to submit an entry by July 6.

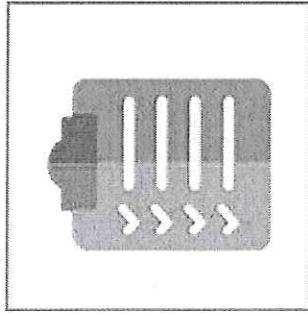

## Joy at Work Jamboree a Rootin' Tootin' Good Time!

The Joy at Work Jamboree at Santa Margarita Ranch last weekend was a smashing success! Held to celebrate the incredible work you do every day in service of our station and California's hometowns, it featured great food, cowboy tunes, and lots of wild west fun including a steam train ride around the ranch. Big thanks to Adam Pasion and Lindsey Miller for all they did to ensure a great time! Check out photos from the event at this [Events Page](#) ([sharepoint.com](#)).

## 2R24 Support Request Guidance

The 2R24 support request due date is **July 10, 2023**, [Milestone MS-05b – All Support Requests Submitted](#). Please review your known scope including pre-outage work and submit requests to the planning organization. [Read more](#).
