ANNUAL CONSUMER CONFIDENCE REPORT

» 2020 «

CAMBRIA COMMUNITY SERVICES DISTRICT

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires the CCSD to provide to its consumers. The purpose of the CCR is to raise customer awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources. In recent years, the CCSD has mailed its customers a printed copy of the CCR to comply with the SDWA. On February 21, 2013, the California Department of Public Health expanded its interpretation of the SDWA to allow for electronic delivery of the CCR. The electronic delivery method will allow the CCSD to reduce the consumption of paper and minimize printing and mailing costs. Hard copies will be made available to the Cambria Library, all local public schools, and to leasing offices of certain multifamily properties. If you would like a paper copy of the 2020 CCR mailed to your address, please call 805-927-6223 or submit a request online at www.cambriacsd.org/annual-ccr.
