**WOODLANDS MUTUAL WATER CO (WMWC)
Annual Consumer Confidence Report on Water Quality**

The Consumer Confidence Report (CCR) is an annual water quality report that WMWC is required to provide to its customers under the Safe Drinking Water Act (SDWA). The purpose of the CCR is to raise customer awareness of the quality of their drinking water, what it takes to deliver water to their homes, and the importance of protecting drinking water sources.

In past years, WMWC has mailed printed copies of its CCR to customers to comply with the SDWA. However, the California Department of Public Health expanded its interpretation of the SDWA to allow for electronic delivery of CCRs. This electronic delivery method will allow WMWC to reduce the consumption of paper and minimize potential printing and mailing costs.
