## 2021 Annual Drinking Water Quality Report

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act requires the City to provide you with. The purpose of the CCR is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to customer homes, businesses, buildings, and the importance of protecting drinking water sources.

To view your 2021 Consumer Confidence Report and to learn more about your drinking water, please visit the following URL:
