Rotary Club of Carpinteria Noon celebrates 50 years of service

BY JUN STARKEY

The Rotary Club of Carpinteria Noon will celebrate the 50th anniversary of its charter, as well as the induction of the incoming 51st president Karen Graf, on Saturday, July 8 at 8 p.m. Club members plan to celebrate by looking back on the group's varied history.

"We're retrospectively celebrating 50 years of existence," longtime Rotarian and Carpinteria local Bob Berkenmeier told CVN.

The original Carpinteria Rotary Club was founded in 1953, according to Berkenmeier; the group would later change its name to the Monterey Rotary Club, and sponsor the formation of the Rotary Club of Carpinteria, which officially formed on September 7, 1973.

The club would become the Rotary Club of Carpinteria Noon years later, and two additional chapters — the Rotary Club of Carpinteria Morning and Evening — were formed to accommodate growing members, Berkenmeier said.

Berkenmeier and another longtime Rotarian Bob Godfrey — whose father, James Godfrey, served as club's fourth president from 1978 to 1979 — sat down with CVN to discuss significant moments in the club's history and plans for the anniversary celebration.

"It's time for us to recognize our accomplishments," Berkenmeier said. "50 years is something to celebrate."

A key feature of the celebration will be the presentation prepared by Berkenmeier, which summarizes the conclusion of the Rotary Club of Carpinteria Noon, including all presidents — from the first president Bill Carty up to incoming president Graf — and their respective themes for their terms. Graf's theme for her upcoming term as president is: "Create hope in the world."

The presentation will also highlight significant moments in Rotary history. One of these moments, Berkenmeier and Godfrey said, was in 1989, when Rotary clubs were charged to allow women to become members. Following this change, Reverend Kristina McKinley, an associate pastor at the Carpinteria Community Church, became the first woman to join the Rotary Club of Carpinteria. The first woman president of the chapter, Carole Davis, was elected in 1992.

Members also plan to review major projects throughout the chapter's history.

The charter night for the Rotary Club of Carpinteria was held on Sept. 8, 1973, and attendees included, from left, Lawrence Braden, charter President Dr. William Carty, Dr. Dorrance (Andy) Anderson and Martin Koobaton, president of the Montecito Rotary Club.

"It's time for us to recognize our accomplishments (...) 50 years is something to celebrate."
— Rotarian Bob Berkenmeier

A line of these, Berkenmeier and Godfrey said, include clearing the annual Rotary Talent Show, installing an accessibility ramp at the Carpinteria Veterans Memorial Building and providing scholarships to local students.

Godfrey said handing out student awards has been a highlight from his time as a Rotarian. "I've had parents say to me 'I was a student here when you were giving these awards out,'" he said.

The 50th anniversary event will be held at the Carpinteria Woman's Club at 1059 Voltaire Road.

Bill Carty, left, inducts incoming president Reverend Ron Timmons on June 21, 1974.
