

## Consumer Confidence Report Certification Form

*(To be submitted with a copy of the CCR)*

Water System Name:	Melody Woods Water Co.
Water System Number:	4300525

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 7/21/2022 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: C. Lorenzo Dunn	Title: President
Signature: 	Date: 7/22/22
Phone number: (408) 502-6574	blank

*To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:*

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
  - Posting the CCR at the following URL: <http://www.melodywoods.com/water-quality/>
  - Mailing the CCR to postal patrons within the service area (attach zip codes used)
  - Advertising the availability of the CCR in news media (attach copy of press release)
  - Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
  - Posted notice of CCR availability in public places (attach a list of locations)
 

*Notice of CCR availability posted on community notice boards near mailboxes on Melody Lane (2 places) and Echo Drive (1 place)*

- Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- Delivery to community organizations (attach a list of organizations)
- Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- Other (attach a list of other methods used)
- For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following URL: www.\_\_\_\_\_
- For privately-owned utilities: Delivered the CCR to the California Public Utilities Commission

### **Consumer Confidence Report Electronic Delivery Certification**

*Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.*

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: <http://www.melodywoods.com/water-quality/>
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: <http://www.melodywoods.com/water-quality/>
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval. Water system utilized other electronic delivery method that meets the direct delivery requirement.

*Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.*

Our water bill is mailed and emailed out to our customers. The bill includes a notice that the CCR is available, a link and the full URL for where the CCR is hosted on our company web site. The bill also includes contact information for where customers may

request an emailed PDF or printed copy of the CCR. We post a notice of CCR availability with the same information on three community notice boards. We also send an email notice that the CCR is available to all customers who have supplied an email address.

This is the notice that went out via email and will be in the next mailed and emailed water bill:

*Or enter the following URL in your browser:*

*<http://www.melodywoods.com/wp-content/uploads/2022/06/Melody-Woods-CCR-2021.pdf>*

*We test the drinking water quality for many constituents as required by state and federal regulations. This report shows the results of our monitoring for the period of January 1 to December 31, 2021 and may include earlier monitoring data (and 2022 data if we've tested recently).*

*As usual, we have met State standards in our treated water, with three exceptions. Our well water has excess iron and manganese, and we treat the water at the Treatment Plant to remove the iron and manganese from our treated water. The treatment media in the plant had lost effectiveness over the years and in one month our Iron and Manganese levels were over the limit. The treatment media has since been replaced.*

*We test water from a sampling of customer homes to see if lead and copper from customer pipes are being dissolved into the water. (The water as delivered doesn't have detectable lead or copper.) The results were slightly over the limit for copper (no problem with lead). We are now monitoring more frequently with a larger number of houses.*

*If it isn't convenient to download the CCR from the web site, email [lorenzo@melodywoods.com](mailto:lorenzo@melodywoods.com) or text/call (408) 502-6574 for a PDF version emailed to you or a printed copy.*
