

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	City of Mountain View
Water System Number:	4310007

The water system named above hereby certifies that its Consumer Confidence Report was distributed on June 30, 2026 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: Mike Vasquez	Title: Utilities Services Manager
Signature: <i>Mike Vasquez</i>	Date: 9/28/2026
Phone number: 650-903-6081	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - ☒ Posting the CCR at the following URL: MountainView.gov/CCR
 - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - ☐ Advertising the availability of the CCR in news media (attach copy of press release)
 - ☐ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - ☒ Posted the CCR in public places (attach a list of locations)
 - Municipal Operations Center

- Mountain View City Hall
- Mountain View Senior Center
- Mountain View Community Center
- ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- ☐ Delivery to community organizations (attach a list of organizations)
- ☒ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- ☐ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- ☐ Other (attach a list of other methods used)
- ☒ *For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: MountainView.gov/CCR
- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: MountainView.gov/CCR
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: MountainView.gov/CCR
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

The City of Mountain View sent postcards (attached) to businesses and residents informing them that the 2025 CCR was available and provided a QR Code and weblink

to access the report online, as well as contact information to request a paper copy. A notice of the CCR was provided in the City's Council Connection newsletter and the City Hall Connection. We also sent out 10,630 emails to residents that were registered to the City's WaterInsight program, and bill inserts to 9,620 residents receiving paper utility bills. Physical copies of the CCR were also delivered to the Municipal Operations Center, City Hall, Senior Center, and Community Center for the public to take.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

News and Information from the [City of Mountain View](#).

MV News

**Mountain View City Council Adopts Budget for
Fiscal Year 2026-27**

At the June 23, meeting, the Mountain View City Council adopted the Fiscal Year 2026-27 Recommended Budget. The Council also approved funding for the Recommended Fiscal Year 2026-27 Capital Improvement Program.

The City's Recommended Budget is structurally balanced and continues to allocate resources toward long-term service delivery, core Citywide functions, Council Strategic Priority areas, continuous organizational improvement efforts, and innovative programs important to the Mountain View community. With this budget, the City continues planning for the Mountain View of tomorrow.

The new budget year begins on July 1 and runs through June 30, 2027. For more details, view the [FY 2026-27 Recommended Budget](#).

Fourth of July Celebration

Mountain View City Hall and most City facilities will be closed on Friday, July 3, in observance of the Fourth of July holiday. Emergency services will continue. Call 9-1-1 if you have an emergency.

Remember, all consumer fireworks such as those labeled "Safe and Sane", are dangerous and illegal to use, possess, or sell in almost all of Santa Clara County.

Instead, think about viewing one of several fireworks displays throughout the county, including the 2026 Fourth of July Fireworks Spectacular presented by the City of Mountain View and Live Nation on Saturday, July 4. The San Francisco Symphony will be performing "Summer of 1969: The Soundtrack of a Generation" at Shoreline Amphitheatre leading up to the fireworks.

Residents can receive discounted tickets by following the instructions and using the coupon available at MountainView.gov/FourthOfJuly.

Families can also view the fireworks (without seeing the San Francisco Symphony) from designated viewing areas within Shoreline or by taking advantage of offerings at [Shoreline Sailing Lake](#) or [Shoreline Golf Links](#).

Traffic and parking will be impacted for the fireworks, so please follow the guidance on the Fourth of July webpage and plan accordingly.

1976 Time Capsule Opening Planned for September

In September, the City of Mountain View will hold a special community event to unveil the contents of a bicentennial time capsule located in Pioneer Park near the Mountain View Public Library. The event will provide residents with an opportunity to learn about the time capsule's history, view its 50-year-old contents, and celebrate this unique connection between Mountain View's past and present.

Following the event, the Library will display the contents of the 1976 time capsule for a limited time, allowing the community to explore the items and stories preserved for future generations.

For event updates, visit the [Time Capsule website](#).

Annual Water Quality Report Now Available

The City of Mountain View has released the 2025 Consumer Confidence Report, also known as the Water Quality Report.

The report describes where Mountain View's water comes from and how it compares to drinking water standards set by the U.S. Environmental Protection Agency and the State Water Resources Control Board. In 2025, Mountain View's drinking water met all Federal and State standards.

MV Happenings

Cheer on Your Team at Summer of Soccer Watch Parties in Downtown Mountain View

With the U.S. Men's National Soccer Team advancing to the knockout round, grab a friend or five and celebrate in Downtown Mountain View with watch parties and business promotions. Enjoy specialty menus, themed drinks, discounted meals, and TVs full of the world's favorite sport.

Explore the Summer of Soccer calendar and map, highlighting special deals, promotions, and soccer-themed events at businesses throughout the city at MountainView.gov/SummerofSoccer.

Music on Castro Brings Free Family Entertainment

Music on Castro continues in Downtown Mountain View. Every Wednesday, singers and songwriters will perform live music. The community can come out to enjoy the free entertainment while shopping and dining downtown.

Norman Kahan*
Wednesday, July 1
5:00 - 6:45 p.m.

Mercy & The Manz
Wednesday, July 8
5:00 - 6:45 p.m.

Performances are currently scheduled on the 200 block of Castro Street.

*Due to the Summer of Soccer Watch Parties in Downtown Mountain View on July 1, the Music on Castro performance with Norman Kahan will be held at Civic Center Plaza, 500 Castro St.

The series will continue through early fall. For the full lineup, visit [Music on Castro](#).

Performers subject to change. No performances during inclement weather.

Summer Outdoor Movie Nights Kicks Off in July

Join your fellow neighbors for an entertaining Summer Outdoor Movie Night Series season on Friday evenings from July 10 through Aug. 14. Get ready for a night of open-air entertainment under the stars on Friday, featuring Zootopia 2.

**Friday, July 10
8:30 p.m.
Cuesta Park
615 Cuesta Dr.**

All movies begin at 8:30 p.m. or when dark. Bring a blanket or lawn chair to enjoy the show.

For more information, visit [Summer Outdoor Movie Night Series](#).

Enjoy the Summer Sounds at Concerts on the Plaza

The Concerts on the Plaza series continues through the summer! Join your friends, neighbors, and fellow music lovers for nights packed with fun, food, and dancing at Concerts on the Plaza.

Friday nights through September (except July 3), Downtown Mountain View will pulse with energy as top music acts take the stage at the Civic Center Plaza, 500 Castro St. The next musical act features high energy dance hits:

**In Living Color
Friday, July 10
6:00 - 7:30 p.m.**

Food, beer, wine, and other beverages will be available for purchase at the Bean Scene Cafe.

For more event details, visit [Concerts on the Plaza](#).

Free Confidential Paper Shredding Event

Attend the next free paper shredding event to protect your privacy and reduce waste by securely recycling confidential papers such as bank statements, pay stubs, canceled checks, and credit offers.

**Saturday, July 11
8:00 a.m.- 3:00 p.m.
SMaRT Station
301 Carl Road, Sunnyvale**

Please note the following:

- **The line is cut off promptly at 3:00 p.m.** Avoid peak wait times by visiting between 9:00 a.m. – 1:00 p.m. if possible.
- Each household is limited to five bags or banker boxes of paper. Small paperclips, staples, spiral notebooks, and rubber bands are acceptable to be left on documents.
- Paper in binders or binder clips will not be accepted as those items damage to the shredding equipment.

For more information about the paper shredding event, visit the [Zero Waste Events webpage](#).

**Experience Mountain View's Innovation and Creativity
at Annual Technology Showcase**

The City of Mountain View and the [Mountain View Chamber of Commerce](#) are proud to present the 11th annual Mountain View Technology Showcase, returning to Downtown Mountain View. This free public event is a rare opportunity to experience first-hand the diversity among our technology community and the newest ideas created in our own backyard.

Event Planning Underway for 1976 Time Capsule Opening

In September, the City of Mountain View will hold a special community event to unveil the contents of a bicentennial time capsule located in Pioneer Park near the Mountain View Public Library. The event will provide residents with an opportunity to learn about the time capsule's history, view its 50-year-old contents, and celebrate this unique connection between Mountain View's past and present.

City staff is currently finalizing event details, including the date and time. Additional information will be posted on the City website, MountainView.gov, and shared through City communication channels as it becomes available.

Following the event, the Library will display the contents of the 1976 time capsule for a limited time, allowing the community to explore the items and stories preserved for future generations.

More information about the event will be shared over the summer.

This is a picture of the bicentennial time capsule plaque, which resides in Pioneer Park near the Mountain View Public Library.

Lot B Safe Parking Expansion

Since Monday, June 1, the Public Works Streets Division has been preparing Shoreline Lot B for the expansion of the Safe Parking program. To date, staff have repaired potholes, removed loose materials, completed patching, and begun striping/painting the parking spaces for oversized vehicles.

Safe Parking Utilization Rated and Length of Stay

Provided below are the oversized vehicle utilization rates for Shoreline Lot B and Evelyn Lot for year-to-date data for Fiscal Year 2025-26:

	FY 25-26 (July 2025 – May 2026)	Start of the FY (July 2025)	End of the FY (May 2026)
Shoreline Lot B	92%	96%	83%
Evelyn Lot	86%	100%	47%

For Shoreline Lot B, as of May 2026 (the latest month for which data is available), the oversized vehicle utilization rate for the Safe Parking Program was 83%, which is a 13% decrease from July 2025.

The Evelyn lot has capacity for 30 oversized vehicles and 21 flex spaces for living or commuter parking, available through Aug. 31, until affordable housing development begins. On Tuesday, June 16, City staff met with the County of Santa Clara's Office of Supportive Housing (County), who verbally reported an estimated 20 participants across 10 oversized vehicles and 8 passenger vehicles at the program site.

The notable decrease in utilization at both safe parking lots reflects the ongoing work of case managers and participants on transition plans, as well as the program's required length-of-stay policy implemented by the day-to-day service provider, MOVE Mountain View.

For both the Safe Parking Program and the LifeMoves Mountain View interim housing site, participants are limited to a maximum 120-day stay. A 30-day extension policy may be granted to those working on a housing plan and actively engaged in case management. Multiple extensions are possible. At this time, the County has stated that there will be no maximum number of extensions allowed for the Safe Parking Program, as extensions will be reviewed on a case-by-case basis. However, if a participant is not engaging in case management or does not accept housing, they will be given the standard 30-day notice to vacate.

The maximum 120-day stay will be formally part of the County's service contract with MOVE Mountain View starting in the new fiscal year, aligning with the State's requirements for these programs to have exit policies in place.

Safe Parking Regional Collaboration Group

In April, the District Five Office of County Supervisor Margaret Abe-Koga (the District Five Office) held its first Regional Safe Parking Forum meeting. Supervisor Abe-Koga shared that safe parking should be an important component of a regional strategy to address homelessness and that this forum was a critical opportunity to build an organized approach across Santa Clara County. She also shared that Safe Parking is now an official program for the County, a positive outcome of the City of Mountain View's recommendation to the Supervisor.

On May 26, the District Five Office held its second Regional Safe Parking Forum meeting. Dr. Graham Pruss, who studies vehicle residency in North America, presented on the 3 "S" Triage Model and Regional Collaboration, which stands for safe, supportive, and stable, and describes how displacement often goes without resolution, and how different needs require different tools. Presentations by Amigos de Guadalupe on faith-based models and by MOVE Mountain View on oversized and passenger vehicles were also provided.

Elected officials from the City of Palo Alto shared that Palo Alto is exploring a permitting system to enable the unhoused community to park in designated areas, as well as potential safe parking sites.

Three new small working groups are being developed to keep the work moving forward: Acquiring More Land, Faith-Based, and Regional Policy Setting. Human Services staff have signed up for the Regional Policy Setting working group.

Lastly, the group is planning to tour the Shoreline Lot B Safe Parking site, potentially sometime this summer.

Backpack with MAK

On **Saturday, June 27, from 9:30 to 11:30 a.m.**, Supervisor Margaret Abe-Koga will host a **Backpack with MAK**, in partnership with the Santa Clara Valley Bird Alliance (SCVBA) at Shoreline at Mountain View regional park. This is the first of several hiking events Supervisor Abe-Koga will host throughout District 5 in 2026. The hike will begin at 9:30 a.m., with a waiver signing and remarks from Supervisor Abe-Koga and the SCVBA.

SCVBA will provide binoculars to every participant. The walk is 1.5 miles long, mostly flat, and will end around 11:00 a.m. Please bring sunscreen, a hat, and comfortable walking shoes.

To RSVP for this hike or future hikes, please scan the QR code on the flyer. **See attachment.**

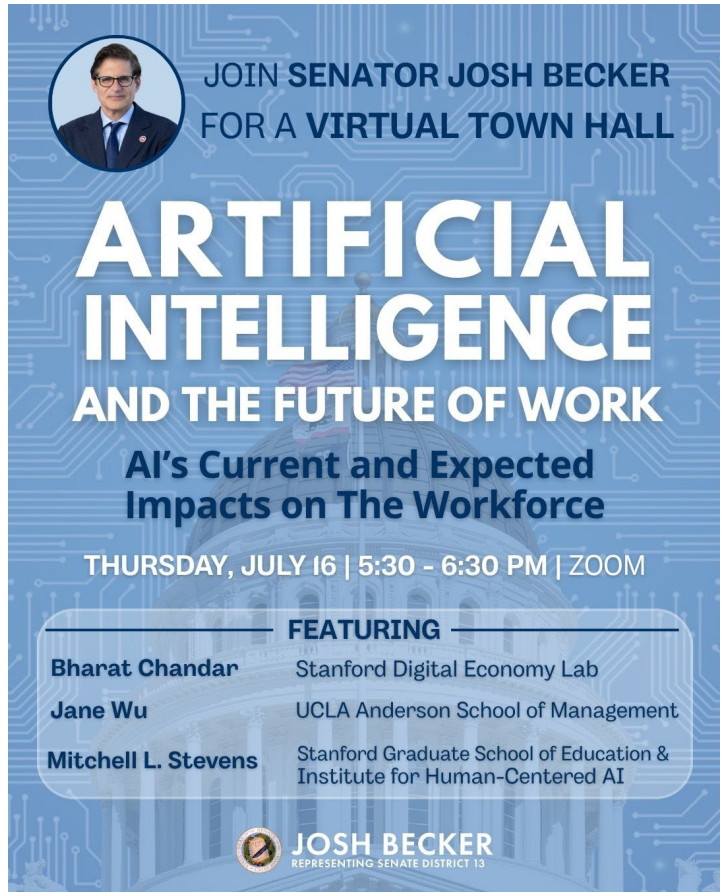

Artificial Intelligence and the Future of Work – Virtual Town Hall

On **Thursday, July 16, from 5:30 – 6:30 p.m.**, State Senator Josh Becker will host a virtual town hall on **Artificial Intelligence and the Future of Work**. The town hall will focus on discussing pertinent questions to better understand how AI is playing out in the economy now and what the economy could look like in the future.

Senator Becker will be joined by nationally recognized expert panelists:

- **Dr. Bharat Chandar**, Postdoctoral Researcher at the Stanford Digital Economy Lab and Institute for Human-Centered Artificial Intelligence, and co-author of *“Canaries in the Coal Mine,”* which gave some of the first insights into how this period of change is affecting workers.
- **Dr. Jane Wu**, Assistant Professor in the Strategy group at UCLA Anderson School of Management, and co-author of *“Some Simple Economics of AGI.”*
- **Mitchell L. Stevens**, Professor at Stanford and an organizational sociologist focused on educational sequences, lifelong learning, alternative educational forms, and the formal organization of knowledge. He convenes the Pathways Network and the Futures Project on Education and the Learning Society.

To attend, please RSVP [here](#).

Annual Water Quality Report Now Available

The City of Mountain View has released the 2025 Consumer Confidence Report, also known as the Water Quality Report.

The report describes where Mountain View's water comes from and how it compares to drinking water standards set by the U.S. Environmental Protection Agency and the State Water Resources Control Board. In 2025, Mountain View's drinking water met all Federal and State standards.

Postcards will be mailed citywide with information on how to access the report.

[View the report online](#). To request a paper copy of the 2025 Water Quality Report or for questions, call 650-903-6241.

Below-Market-Rate Unit Available at Arlo

The City of Mountain View, in partnership with the Below Market Rate (BMR) program partner HouseKeys, has notified the community that BMR units are available at [Arlo Apartments](#), located at 1040 Castro Street.

The available unit is approximately 717 square feet, one-bedroom/one-bath, with a monthly rent of \$2,211. There will be an opportunity drawing for applicants. Prospective applicants can create an account at myhousekeys.com. The deadline to enter the drawing is Tuesday, July 7, at 5:00 p.m.

Members of the public can sign up to receive future notifications regarding BMR housing opportunities by visiting MountainView.gov/eNotify and signing up for the Affordable Housing Interest List.

Climate Corps Fellow Recruitment Underway

The Sustainability and Resiliency Division is recruiting for a Climate Fellow through the Climate Corps Fellowship Program, an initiative of Strategic Energy Innovations (SEI) that connects emerging climate professionals with organizations advancing sustainability and resilience projects. The fellowship provides hands-on experience, professional training, and mentorship while supporting climate action in communities across the country.

The selected Fellow will support a range of sustainability initiatives, including programs that encourage building and transportation electrification, community engagement, municipal decarbonization, and sustainability reporting. The position is a full-time, 10-month fellowship beginning in September 2026, offering an opportunity for individuals interested in building a career in sustainability or public service while helping to advance the City's climate goals.

As with past Climate Fellows, the selected Fellow will support a range of sustainability initiatives, including programs that encourage building and transportation electrification, community engagement, municipal decarbonization, and sustainability reporting.

Past Climate Fellows have used the experience as a pathway into careers with local governments, consulting firms, and other organizations advancing climate solutions. For example, Mountain View Climate Fellows have recently gone on to work for Sonoma Clean Power, the City of Palo Alto, San Francisco Environment Department, the City of Santa Clara, and California Bioenergy LLC.

Community members are encouraged to help spread the word about this opportunity. The fellowship may be a good fit for recent graduates, professionals seeking a career transition, and others interested in contributing to local climate efforts. Interested parties can learn more and apply through the [Climate Fellow position posting](#).

Upcoming Events

- **Friday, July 3 (City Closure)**

Mountain View City Hall and most City facilities will be closed on Friday, July 3, in observance of the Fourth of July holiday.

- **Fourth of July Fireworks Spectacular, July 4**

Celebrate America's 250th birthday with the 2026 Fourth of July Fireworks Spectacular on Saturday, July 4, at the Shoreline Amphitheatre. [View more details.](#)

- **Technology Showcase, July 30**

The City of Mountain View and the Mountain View Chamber of Commerce are co-hosting the annual Technology Showcase on Thursday, July 30, at the Civic Center Plaza. Exhibits are open to the public from 11:00 a.m. to 3:00 p.m. A featured panel will be held at the Mountain View Center for the Performing Arts from 4:00 to 6:00 p.m. More event information is available on the [Chamber's website](#).
