Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

Please see attached word document.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery:

For customers that receive electronic bills, a dedicated CCR notification email was sent with the subject line: "SLVWD 2018 Consumer Confidence Report." This email was sent to all electronic billing customers on May 21st, 2019. The body of this dedicated CCR email notification contained a direct URL to the CCR (one CCR which included the SLVWD system and SLVWD- Felton system). For customer CCR notification emails that failed to deliver, a paper CCR notice was mailed to the corresponding service address of the customer.

For customers that receive paper bills, a paper CCR notification was mailed as an insert along with the June 2019 bill. The paper CCR notification was mailed along with the June 2019 bill to customers on May 20th and June 5th 2019. The paper CCR notification contained a direct URL to the CCR.
