Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

The City of Vallejo Water Department included an insert in all utility billing statements mailings that informed the recipient where and when the 2023 CCR will be available to all customers on the City's website. The insert was printed in English, Spanish and Tagalog and included a statement on what the CCR is and the importance of the report. The City also provided a phone number and email to request delivery of a hard copy of CCR if customers wish to do so.

The City of Vallejo Water Department also placed notices in the City's weekly newsletter and on the City's social media platforms on how customers could access and download a digital copy by providing a direct link to CCR.

For any customers that are unable to receive electronic delivery the City provides them with a hard copy of the CCR by mail, if customers request it via phone or email.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.
