To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
  - Posting the CCR at the following: Employee Legal boards at Treehouse California Almonds, LLC. South Break Room (Bld #3) Mid Break Room (Bld #8) and North Break Room (Bld #10)
  - Posted the CCR in public places: All break areas (3) at Treehouse Earlimart.

Treehouse is a privately owned company that does not sell water to other. The water is only used at the facility, thus the only persons to possibly use the water would be Treehouse Employees. Thus, the best method of distribution is to place in the break area with other legally required documents.

*This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.*
