Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

The following Notice was contained in a Letter mailed to all customers with the Annual Billing:

Historically, we have mailed our customers a printed copy of the "Consumer Confidence Report," which is an annual water quality report required by the State Water Resources Control Board. A rule change now allows electronic delivery, which will permit us to reduce the consumption of paper and minimize printing and mailing costs. The report contains instructions for you to obtain significant information about your drinking water. [Este reporte contiene las instrucciones mas recientes para obtener informacion importante sobre su agua potable. Traducir, o hablar con alguien que lo entienda.] To view your 2018 Water Quality Report, go to the following web address: <http://drinc.ca.gov/EAR/CCR/CCR2018CA5500060.pdf>. If you wish to save or print a copy, press "Ctrl + S" or "Ctrl + P", respectively. If you do not have Internet access, and would like a paper copy of the 2018 Water Quality Report mailed to you, please call our Secretary/Treasurer Gregory Oliver at (209) 586-2523.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.
