SONORA WATER COMPANY

**WATER QUALITY REPORT FOR 2023
TESTING YEAR 2022**

Each year, Sonora Water Co. is required to provide to its customer's information concerning the testing and treatment of water provided. As Sonora Water Co. purchases all water from Tuolumne Utilities District and does not "treat" said water, it is still required to have certain testings of that water and provide all information. Below we have provided information from TUD for the "Sonora Area", from which Sonora Water Co. receives its water. Should you desire to examine the entire report, you may go to the website of TUD and do so.
