Signature: 
Title: Manager, Water Quality & Environmental Compliance
Phone number: 626-223-9460
Date: June 19, 2023

To summarize report delivery used and good-faith efforts taken, please complete the below by checking all items that apply and fill-in where appropriate:

X CCR was distributed by mail or other direct delivery methods. Specify other direct delivery methods used: Bill message notification

X "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:

X Posting the CCR on the Internet at www.amwater.com/ccr/thousandoaks.pdf

☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)

X Advertising the availability of the CCR in news media (attach copy of press release)

☐ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)

☐ Posted the CCR in public places (attach a list of locations)

☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools

☐ Delivery to community organizations (attach a list of organizations)

☐ Other (attach a list of other methods used)

☐ For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following address: **[INSERT INTERNET ADDRESS]**

☒ For investor-owned utilities: Delivered the CCR to the California Public Utilities Commission

This form is provided as a convenience for use to meet the certification requirement of the California Code of Regulations, section 64483(c).

Messages from California American Water

- Beginning on or after April 3, 2023 you may notice the WRAM/MCBA surcharge on your bill has been updated. The impact of the surcharge for Ventura water system customers will be a decrease of -\$1.61 or -1.21% per month for the typical residential customer and is being implemented by Advice Letter 1409.
- ***IMPORTANT WATER QUALITY MESSAGE:** Your annual Water Quality Report can be viewed electronically at www.amwater.com/ccr/thousandoaks.pdf. If you prefer a paper copy to be sent to you, please contact our Customer Service Center at 888-237-1333.
- Su informe anual de la calidad de agua puede consultarse electrónicamente en www.amwater.com/ccr/thousandoaksspanish.pdf. Si prefiere una copia, por favor póngase en contacto al cliente con nuestro centro de servicio

STAY ALERT WHEN WE'RE AT WORK

Each year, we invest millions in our infrastructure. That means we're on the road quite a bit.

Please keep yourself and our crews safe by slowing down, giving yourself some space, and staying alert when you see us at work.

Water Quality: We take water quality seriously. When it comes to complying with federal drinking water standards, we consistently score better than the industry average. For a copy of the annual water quality report for your area, visit californiaamwater.com. Under Water Quality, select Water Quality Reports.

H2O Help To Others: This program helps low-income customers who qualify with their water bills. For more information, visit californiaamwater.com. Under Customer Service & Billing, select Low Income Program.

EXPLANATION OF DISPUTES

Disputes: Should you question this bill, please request an explanation from the company within five (5) days of the receipt of this bill. This bill is due and payable upon date of presentation. It will become past due if not paid within nineteen (19) days from the date of the mailing. If you believe there is an error on your

bill or have a question about your service, please call California American Water Company customer support at 1-888-237-1333. If you are not satisfied with California American Water Company's response, submit a complaint to the California Public Utilities Commission (CPUC) by visiting www.cpuc.ca.gov/ complaints. Billing and service complaints are handled by the CPUC's Consumer Affairs Branch (CAB), which can be reached by the following means if you prefer not to submit your complaint online:

TTY: 1-800-649-7570 (8:30 AM to 4:30 PM, Monday through Friday)

Mail: California Public Utilities Commission, Consumer Affairs Branch
505 Van Ness Avenue, Room 2003, San Francisco, CA 94102

If you have limitations hearing or speaking, dial 711 to reach the California Relay Service, which is for those needing direct assistance relaying telephone conversations, as well their friends, family, and business contacts. If you prefer having your calls immediately answered in your mode of communication, dial one of the toll-free language-specific numbers below to be routed to the California Relay Service provider.

TYPE OF CALL	LANGUAGE	TOLL-FREE 800 NUMBER
TTY/VCO/HCO to Voice	English	1-800-735-2929
	Spanish	1-800-855-3000
Voice to TTY/VCO/HCO	English	1-800-735-2922
	Spanish	1-800-855-3000
From or to Speech-to-Speech	English & Spanish	1-800-854-7784

To avoid having service turned off while you wait for the outcome of a complaint to the CPUC **specifically regarding the accuracy of your bill**, please contact CAB for assistance. If your case meets the eligibility criteria, CAB will provide you with instructions on how to mail a check or money order to be impounded pending resolution of your case. You must continue to pay your current charges while your complaint is under review to keep your service turned on.

Understanding Your Bill

The information below defines some of the new terms you may find on your bill:

- Service Related Charges:** This section includes charges for services related to water (or wastewater) service. If applicable, credits and debits for correction to previously billed charges are itemized in this section.
- Fees and Adjustments:** This section provides details related to additional charges or adjustments for the service period referenced. Fees, when applicable, would include items such as service activation and late payment charges.
- Surcharges:** Surcharges are used to recover changes to costs that occur between ratemaking cycles. Common surcharges include Purchased Water, Consolidated Expenses, Conservation, Intervenor Compensation and Payment Assistance.
- Billing Units:** One billing unit equals 100 gallons of water used. If the meter serving your property measures your water use in cubic feet or a different unit of measure, we convert the usage to gallons to make it easier to understand.
- Average Daily Use:** The gallons shown in the water droplet above represent your average daily water use for the current billing period. Tracking the amount of water you use can help you manage your overall water use from month to month.
- Still have questions?** We are here to help. Our customer service representatives are available M-F, 7 a.m. to 7 p.m. More information on understanding your bill and charges can also be found on our website. See the link below.

Para obtener asistencia con la traducción de su factura, comuníquese con nuestro Centro de Servicio al Cliente, de lunes a viernes de 7 a.m. a 7 p.m.

For more information about your charges and rates, please visit:
<https://www.amwater.com/caaw/Customer-Service-Billing/Water-Rates/>

en 888-237-1333.

- Like you, our crews want to return home safely after each day's work. Our crews frequently work near busy roadways to fix and replace aging pipe. We appreciate your patience and care when driving past our construction zones.
- Beginning on or after March 19, 2023, you may notice a change in the base and meter rates on your bill. The impact for customers for an average residential customer statewide is less than \$0.50 or 0.5% per month and is being implemented by Advice Letter 1404.

STAY ALERT WHEN WE'RE AT WORK

Like you, our crews want to return home safely after each day's work. Our crews frequently work near busy roadways to fix and replace aging pipe. We appreciate your patience and care when driving past our construction zones.

OUR TEAM WORKS IN THE COMMUNITY AND SPENDS A LOT OF TIME ON THE ROAD.

Your safety, as well as the safety of your passengers and our employees, is important to us! Keep these tips in mind when traveling in work zones.

- 1 SLOW DOWN**
Follow posted speed limits. Adjust your speed for traffic flows and weather conditions.
- 2 GIVE YOURSELF SOME SPACE**
Don't tailgate. Leave at least three seconds or more (depending on your speed) of braking room between you and the vehicle in front of you.
- 3 STAY ALERT**
Be prepared for sudden stops. Avoid changing radio stations and using cell phones. Keep an eye on flaggers, workers and their equipment.

DID YOU KNOW?

A car traveling 60 m.p.h. travels 88 feet per second? Taking your eye off the road for just 5 seconds is 440 feet (that's more than a football field).

5 seconds
Approx. 440 feet

WE'RE WORKING FOR YOU

Our crews are regularly working to improve water service for our customers. We invest millions in our infrastructure each year to keep life flowing in your community.

WE KEEP LIFE FLOWING®

SAFETY. ONE MORE WAY WE KEEP LIFE FLOWING.

SPRING INTO ACTION

Spring is here! Even though California has received unprecedented amounts of rain and snow this past winter, it's important that we continue to save water for not-so-rainy days ahead. If we take action now, we can have water to sustain us in the future.

TAKE ACTION THIS SPRING TO SAVE WATER

Adjust your irrigation controller. Set your sprinkler system to water your landscape in the early morning and late evening to avoid evaporation. Turn off sprinklers when it rains.

Replace your lawn with low-water-use and drought-tolerant plants. Spring is the perfect time to save water on irrigation by beautifying your garden with native and low-water-use plants.

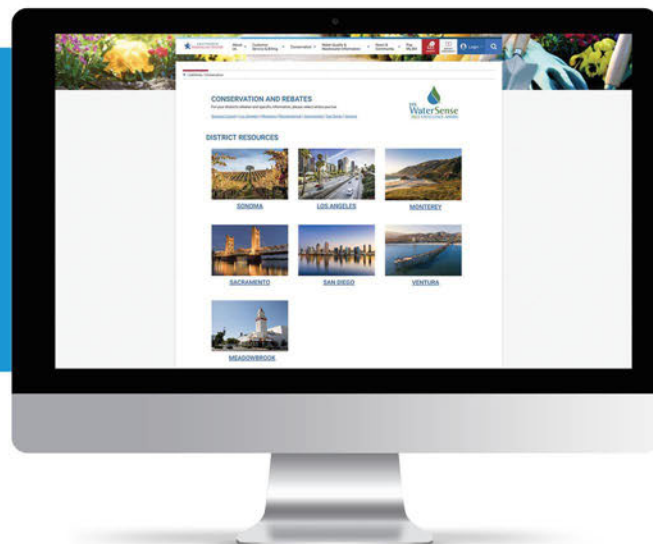

Install a rain barrel. Catch rainwater runoff from your roof and hold it for later use for your outside landscape or indoor plants. You can find rebate information at **socalwatersmart.com**.

Find and fix leaks outdoors. Check your yard for soft spots that might indicate a leaking pipe. If you find a leak, fix it as soon as possible.

LEARN MORE

Please visit us online at **californiaamwater.com** > **Conservation** to learn more about conservation programs and services.

WATER QUALITY REPORTS SHOW EXCELLENT RESULTS FOR CALIFORNIA AMERICAN WATER CUSTOMERS

SAN DIEGO (May 19, 2023) – California American Water published its 2022 Consumer Confidence Reports, demonstrating high-quality water service throughout its state districts. The annual reports compare California American Water's water quality with standards established by the U.S. Environmental Protection Agency and the California State Water Resources Control Board, Division of Drinking Water.

The reports also cover drinking water sources, public health information, substances detected in the water and the levels of those substances. Commonly asked questions and answers concerning drinking water are also included.

The reports continue a contemporary design that features illustrated sections of common containments and simple-to-read explanations of the various technical terms within the document.

"We are pleased to announce that our 2022 reports demonstrate excellent water quality that meets and exceeds all regulatory standards," said Kevin Tilden, President of California American Water. "We hope that customers will find these reports educational and helpful in answering the questions they may have about the state of their water."

Customers can look up their water quality reports by zip code by visiting: <https://www.americanwater.com/caaw/Water-Quality-Wastewater-Information/Water-Quality-Reports/>

About California American Water

California American Water, a subsidiary of American Water (NYSE: AWK), provides high-quality and reliable water and wastewater services to more than 725,000 people. Information regarding California American Water's service areas can be found on the company's website <https://amwater.com/caaw>.

About American Water

With a history dating back to 1886, American Water (NYSE: AWK) is the largest and most geographically diverse U.S. publicly traded water and wastewater utility company. The company employs approximately 6,500 dedicated professionals who provide regulated and regulated-like drinking water and wastewater services to an estimated 14 million people in 24 states. American Water provides safe, clean, affordable, and reliable water services to our customers to help keep their lives flowing. For more information, visit amwater.com and diversityataw.com.
