Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☐ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification).
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification).
- ☒ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

The CCR is provided as an attachment to an email notification sent to representatives of the various customer bases. Facilities Management maintains a record of all building representatives (building managers, housing property managers, tenants, contractors, etc.) for maintenance and emergency notifications – this list was combined with other utility billing contacts as appropriate to capture all customer bases. The CCR is also posted online at <https://facilities.ucdavis.edu/utilities-services/water-quality> for access by all interested parties.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

Hello –

Attached is the UC Davis Drinking Water Consumer Confidence Report for 2023. This annual water quality report provides information regarding where the UC Davis drinking water comes from and what it contains. UC Davis water supplies are routinely tested to confirm that the water meets all federal and state drinking water standards. You can find past year's CCRs and additional information here: <https://facilities.ucdavis.edu/utilities-services/water-quality>. We hope that you find this information useful; please feel free to share with others.

If you have any questions regarding this report or other water quality concerns, please reach out to:

Courtney Doss, Engineering & Compliance Supervisor: (530) 574-7225, cahall@ucdavis.edu

Nick Carpenter, Water & Gas Operations Superintendent: (530) 979-1546, ncarpenter@ucdavis.edu

For urgent concerns, including water leaks, contact the Facilities Management Customer Experience Center at (530) 752-1655 (24 hours, 7 days a week) or facilities@ucdavis.edu

Sincerely,
